Dear Hiring Manager,

I am excited to apply for the Junior Web Developer position at your company. With a solid foundation in HTML, CSS, and responsive design, I am passionate about building clean, user-friendly websites and eager to grow within a creative development team.

I've recently worked on several web projects that reflect my attention to detail and focus on usability. I enjoy writing clean, maintainable code and collaborating with others to bring ideas to life. I'm especially drawn to your company's commitment to innovation and quality in digital experiences.

Thank you for considering my application. I would love to be given the opportunity to contribute to your team and continue developing my skills in a supportive environment.

Warm regards,
Garfield Agyekum
